

**Ross Local School District  
Network and Internet  
Acceptable Use Agreement**

**Purpose**

This agreement is entered into between the USER and the Ross Local School District (DISTRICT). In order to facilitate educational activities, the DISTRICT provides network and Internet access to the USER. The intent of this agreement is to insure that USER will comply with rules and regulations relating to the use of the software and information on the district network and the Internet.

**Agreement**

In exchange for the use of the DISTRICT network and Internet resources, I understand and agree to the following:

- A.** That the use of the district network resources is a privilege, which may be revoked by the DISTRICT at any time. Appropriate reasons for revoking privileges include, but are not limited to:
  - intentionally altering system software
  - intentionally placing unlawful information, computer viruses, or harmful programs on the computer system
  - intentionally accessing, using, downloading, or uploading material which is unlawful, threatening, abusive, disparaging, obscene, pornographic, or otherwise objectionable
  - intentionally and without authorization entering into restricted networks or into files of other users
  - intentionally violating copyright laws
  
- B.** The USER shall have no expectation of privacy regarding the usage of the DISTRICT network and Internet. The DISTRICT reserves the right to review and remove USER files.
  
- C.** The USER is responsible for any and all costs that may be associated with recovery from damages caused intentionally by the USER.
  
- D.** All information services contained on the DISTRICT network and the Internet are intended for the private use of its registered users and any use of these resources for commercial or other unauthorized purposes is expressly forbidden. The USER should not give others personal information or agree to meet anyone encountered on the Internet.
  
- E.** The DISTRICT does not warrant that the functions of the system will meet any specific requirements or that it will be error-free or uninterrupted. The DISTRICT shall not be liable for any damage sustained or incurred in connection with the use, operation, or inability to use the system.
  
- F.** The DISTRICT does not warrant or insure that it always will be successful in its efforts to restrict student access to objectionable material through filtering technology and direct supervision.
  
- G.** The DISTRICT network and Internet resources are intended for the use of registered users. The USER is responsible for the account, password, and access and should not permit others to use these. Any problems which arise as a result of the USER allowing another person the use of the USER'S account are the responsibility of the account holder.
